

Webinar on SNIPER-GN – SNM Identifier

Thursday 17 July 2025 - Thursday 17 July 2025

Programme

This event is open **exclusively to registered participants**. If you wish to attend, please register using the menu on the left.
Program

19:00 – 19:20 | *Introduction to CAEN and the SNIPER GN system*

Overview of the device, key features, and field applications in radiation and nuclear material detection.

19:20 – 19:50 | *Live demonstration with gamma and neutron sources*

Hands-on session showcasing the SNIPER-GN's web interface, real-time isotope identification, and dual gamma/neutron detection capabilities.

19:50 – 20:00 | *Q&A session*

Open discussion with CAEN experts to address technical and application-related questions.

The videoconference link will be shared with registered participants on the day of the event.
